- Do you feel like you need to update your knowledge about HIV and AIDS facts?
- Are you looking for a resource to use for answering those difficult student questions?

### *This Workshop Is For You!!!*

The American Red Cross HIV Starter Facts Training is an interactive, half-day workshop designed to help participants update their knowledge base and explore essential facts about HIV and AIDS, including information on transmission, testing, and prevention. Participants will increase their skill level in being able to separate HIV and AIDS facts from misinformation and opinions.

Each participant will receive the valuable resource, the American Red Cross HIV/AIDS Facts Book at the conclusion of the training!
